-etter No.2418/1-30, dated the 6th September 1932, from the Inspector of Schools, Coorg and Bangalore.

(1) The Inspector of Schools says that he has proposed the inclusion in the Mysore Assigned Tract budget estimates for 1933-34 of a sum of 2,500 over and above the usual allotment for the Srimathi Kamalabai Girls' High School on account of the additional staff required for opening the VI Form next year and on account of the slightly higher rates of pay proposed to be given to the teaching staff. He recommends that the scales of pay proposed to be introduced during 1933-34 may be approved as a special case.

(2) The minimum and maximum scales of pay for teachers in Secondary Schools were fixed by the Resident in letter No. 2431, dated the 7th April 1932, on the suggestion of the Inspector of Schools. As the Correspondent finds it difficult to secure the services of suitably qualified lady teachers on those scales of pay, higher rates of pay are proposed to be given and the Inspector recommends that they may be approved. Before we accept a departure from the scales fixed in S N 13 271/31 we may for purposes of detailed scrutiny call for a statement showing

S.N. 13 27/31 (M)

(1) the scale of staff that would be admissible in 1933-34,

(2) the admissible scale of pay of each member of staff and the actual pay that will be earned on 1-4-1933, and

(3) how the Correspondent's proposal deviates from (1) and (2).

(3) Meanwhile the additional provision of Rs. 2,500 proposed by the Inspector of Schools may be incorporated in the draft consolidated budget estimates for 1933-34.

Letter No.2761/1-30, dated the 13th October 1932, from the Inspector of Schools, Coorg and Bangalore.

The Inspector of Schools recommends that an advance of teaching grant amounting to ~~the extent of~~ Rs. 2,500 may be paid to the Correspondent of the Srimathi Kamalabai Girls' High School. This sum of Rs. 2,500 is stated to be a reasonable proportion of a grant of about Rs. 5,150 estimated to be payable for the current year.

Under rule 39(i) of the Grant-in-Aid Code for Indian Schools, the teaching grants for Secondary schools are payable in two instalments. The first instalment will be equal to half the grant paid during the previous year and will be paid in April. The balance (second instalment) of the grant will be paid after the amount payable for the whole year has been assessed. The advance now recommended by the Inspector represents the first instalment. But the amount is not half of the previous year's (1931-32) grant but it is nearly a half of the current year's estimated grant. According to rule 39(i) of the Code a first instalment of only Rs. 1,151 which is one half of Rs. 2,302 being the grant paid during the previous year 1931-32, is permissible. A departure from the provisions of the Code may require the sanction of the Govt. of India.

In rule 64(6) of the Code, the Inspector has been empowered to sanction advance teaching grants to Secondary schools and he can sanction an advance teaching grant to Srimathi Kamalabai Girls' High School to the extent of one half of the grant paid during the previous year 1931-32.

If approved, he may be informed accordingly.

S.N. 24 (B)

The Accountant-General, Madras, has suggested that rule 46(ii) of the Grant-in-Code for Indian Schools in the C and M Station of Bangalore might be suitably amended so as to make it obligatory on managements to execute a mortgage deed whenever a building grant is received, in order to bring home to them the responsibility for properly utilising the funds and to safeguard the interests of Government in the event of there being a necessity for taking action under rule 48 of the Code.

The Inspector of Schools says that the purpose of the Accountant-General could be served if the word "shall" is substituted for the word "may" in rule 46(ii) of the Code but that he is not in favour of this amendment for the following reasons:-

The Accountant-General's suggestion is based on rule 54(ii) of the Madras Grant-in-Aid Code. But the grant referred to therein is that sanctioned for constructing buildings as provided in rule 53(iii) of the same Code. Whereas rule 46(ii) of the C and M Station Code refers to any grant made for the purposes mentioned in rule 43, which include grants for repairs, extensions, alterations, etc., which are not contemplated by rule 54(ii) of the Madras Code. He thinks that it would be unnecessary to insist on a mortgage deed for a grant for repairs to buildings or roads, for water and sewage connection and for construction of gates and other fixtures when the building was already originally covered by a mortgage deed. In short, the Inspector does not want the grants for repairs etc., to be safeguarded by mortgage.

He says that ~~that~~ if it is desired that the execution of a mortgage deed should be made obligatory by a specific provision of the Code in the case of grants paid for purchase, erection and enlargement of buildings, he would propose the following amendment to rule 46(ii) of the

Code

Code:-

For the existing rule 46(ii) substitute the following:-

"Before any grant is paid, for any of the purposes mentioned in rule 43(1) and (3), the owner or the management shall be required to execute a mortgage of the property or a deed of acceptance in respect of the grant. Until further orders the forms of the various deeds shall be as shown in appendices M.N.O.&P."

The above amendment leaves out grants under rule 43(2) for executing extensive alterations and repairs to buildings which have been newly purchased for school purposes.

The main object of the amendment should be to enable Government to recover their money under rule 48 in case the buildings are diverted to other than educational purposes. When a grant is given for the construction or purchase of a building or playground or for additions, alterations or repairs, it (in cases of necessity) should be recoverable under rule 48. Irrespective of whether the original building is mortgaged to Government or not, all grants made subsequently should, it seems, be safeguarded by asking the management to execute a mortgage each time they receive a grant. For example, a grant of Rs. 10,000 was given for the purchase or construction of a building and a mortgage was executed. Subsequently grants to the extent of Rs. 5,000 were given for repairs, alterations and water connection for which no mortgage was executed. The building ceases to be used for educational purposes. Then under rule 48, the whole grant or a due proportion of it has to be recovered. As only the first grant of Rs. 10,000 was protected by mortgage of property, we can recover through a Court of Law only that grant, and not the subsequent grants to the extent of Rs. 5,000 which were not so protected by mortgage of property.

Therefore, it seems desirable to amend rule 46(ii) so as to enforce the excution of mortgage of property whenever any grant under rule 43 is paid.

The following amendment is submitted for consideration in which power is reserved to the Hon'ble the Resident to grant exemption in cases where excution of mortgage is

considered

considered unnecessary:-

For rule 46(ii), substitute the following:-

"Before any grant is paid, the owner or the management of the property shall be required to execute a mortgage of the property or a deed of acceptance in respect of the grant. Until further orders the forms of the various deeds shall be as shown in Appendices M.N.O. and P. The Resident may, however, grant exemption from the execution of the deed in cases where he considers such deeds unnecessary."

If approved, the above proposed amendment may be referred to the Accountant-General, Madras.

Draft submitted for approval.

The Accountant-General, Madras, while he has no remarks to offer with regard to the amendment proposed in S N 30, suggests that it may be amplified on the lines of Rule 54(ii) of the Grant-in-Aid Code of the Madras Educational Department so that it may be made clear when the various forms of deeds in Appendices M, N, O and P are to be used.

If approved, these papers may be sent U.O. to the Inspector of Schools for remarks with the request that if he agrees with the suggestion of the Accountant-General, he will kindly propose the necessary draft amendment for the

the consideration of the Hon'ble the Resident.

(13)

There are four forms for a deed of mortgage or acceptance given in Appendices "M" "N" "O" "P" of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station of Bangalore. The form given as Appendix "M" relates to grants for erection or enlargement and improvement of buildings and that given in Appendix "N" to grants for purchase of lands with buildings thereon. These are forms for a mortgage deed and, evidently, refer to sub-rule (1) and (3) of Rule 43 of the Code. The form given in Appendix "O" relates to grants which can be recovered either out of the sale proceeds of the building or from the owner, while that in Appendix P leaves no such option but contemplates the recovery of grants from the owner only. These two forms are not for mortgage of the property and could be taken to refer to sub-section (2) of ~~Article~~ Rule 43, (i.e.), to grants for repairs and alterations.

(14)

The Madras Grant-in-Aid Code has five forms of the various deeds to be executed, given in appendices "O", "P", "PP", "Q" and "R". Differentiation is made in Rule 54(1) of that Code in the use of the forms given, on the basis of the amounts of the grants sanctioned. I do not consider such differentiation necessary in the case of forms in appendices "M" and "N" of the Code in force in this

Station. Form "M" should be used in all cases when grants are given for the erection of a building or an extension of it, when the building or the extended portion of it will be the subject matter of mortgage, whether the grant sanctioned is Rs. 500/- or Rs. 5000/-. The same consideration applies to cases of purchase of lands with or without buildings. ~~The property for the erection, enlargement or purchase of which grant is sanctioned is quite tangible and free of other encumbrances~~. It is only when a mortgage is not contemplated, as when a grant is sanctioned for repairs or alterations to a property which in the nature of the case should have been already mortgaged to Government for grants previously given for its purchase or erection, that differentiation can be made and is contemplated by the two forms given in appendices "O" and "P." I presume, the option of proceeding against the property is given when the amount involved is large.

(15)

Accordingly, I suggest the following amplication of the amendment to Rule 46(ii) proposed in the letter to the Accountant General in the Secretary's letter No.6665/date(30.9.1932:

5-IV-36
(E)

Add " The form shown in Appendix "M" shall be used when the grant is sanctioned for erecting or enlarging and improving school houses or buildings or students' hostels, form 'N' when the grant is sanctioned for purchasing school buildings or students' hostels or land for school or hostel purposes, form 'O' when the grant is sanctioned for executing alterations and repairs to buildings and exceeds Rs. 500/-, and form 'P' when the grant sanctioned is for the purpose of alterations and repairs and does not exceed Rs. 500/-."
after the word " unnecessary".

The Srimathi Kamala Bai Girls' High School is an institution ~~of recent founding~~ recently founded. The idea of such a school was first mooted by Rao Sahib Thiruvengadaswamy Mudaliar, a leading citizen of the Station. He expressed the wish to make an endowment of Rs. 25,000 for a Hindu Girls' High School in the Civil and Military Station, Bangalore, and to pay Rs. 20,000 towards the cost of the site and buildings, to be named after his wife. The Govt. of India accepted the offer and agreed to supplement the grant and to provide for the working of the School. The School came into actual being on the 18th June 1931 and is managed by a Board of trustees consisting of the Collector, C & M. Station, Rao Sahib Surya Prakas (the Govt. Pleader) and the donor.

The effect of the permanent recognition is that, without a renewal of the recognition from time to time, the School will be admitted to aid for objects mentioned in Article 4 of the Grant-in-aid Code, provided that it continues to observe fully the conditions laid down in Article 11 ibid. On the recommendation of the Hon'ble the Resident, the Govt. of India have authorised Him to

to sanction the net cost of the Srimathi Kamala Bai Girls' High School after deducting the interest on endowment and income from fees etc. as grant-in-aid to the School, provided that the power is exercised within the limits of budget provision. Whether the recognition is temporary or permanent, the School will, under normal conditions, get its grant and will also lose the same when it does not abide by the rules in the Grant- in-aid Code. The permanent recognition is, therefore, only a formality and does not alter the position of the School from where it stands under a temporary recognition. The Resident has full powers to deal with the grants under Article 2 of the Grant-in-Aid Code.

To

The Secretary to the Hon'ble the Resident in Mysore, Bangalore.

Sir,

Subject:- Grant towards the purchase of furniture for the Srimathi Kamalabai Girls' High School, Bangalore.

I have the honour to enclose herein an application for a full grant amounting to Rs. 1470/- received from the Correspondent Srimathi Kamalabai Girls' High School, Bangalore. The V Form was opened in this school in June last and furniture for this class is required. The special provision of Rs. 4500/-proposed by Mr. Edmonds in his letter No.3136/21-24, dated 3.9.1931, has not been sanctioned in the current year's budget and as the need for ~~the~~ furniture is keenly felt in the school, I propose that the Hon'ble the Resident may be pleased to sanction the amount from the normal provision under the head "Account II - Education B. Grants-in-Aid to non-Government Secondary Schools - Building and Furniture grant to Secondary Schools" in the current year's Mysore Assigned Tract budget.

(P.U.C) S.N. 1

From the President, Municipal Commission, Civil and Military Station, Bangalore, No.1367/31, dated the 5th June 1931.

It may be seen from the enclosure to the p.u.c. that the Standing Committee of the Municipal Commission considered that this matter "should be referred to the representatives of the Commission on the Local Excise Advisory Committee for necessary action".

The Commission, on the other hand "resolved that as the location of toddy and arrack shops in the heart of the town is not conducive to the well-being of the people of the station, the shops situated at Jewellers Street and Blackpally, be removed from their present places."

The resolution of the Commission is not in the form of a recommendation.

The P.M.C. has accordingly pointed out that the resolution is in excess of the powers conferred by law on the Commission, apparently because it is not within the power of the Commission to have the resolution put into execution. The P.M.C., therefore, is unable to act upon the resolution.

The question is whether the matter may be simply left there or whether it is necessary or desirable that the Hon'ble the Resident should (definitely on the resolution) suspend action/ or annul the proceeding, as suggested by the P.M.C.

If any action by the Resident is considered necessary, action under section 169 of the Bangalore Municipal Law, namely suspension of (execution of the resolution) action, seems sufficient. Action under both of the sections referred to (i.e. sections 169 and 173) is perhaps more than the necessities of the case.

To

The Secretary to the Hon'ble the Resident

in Mysore, Bangalore.

Sir,

Subject:- Grant-in-Aid Code for Indian Schools in the Civil & Military Station, Bangalore.

With reference to your endorsement No.5590/338-1931 dated 23rd August 1932 desiring me to submit a draft amendment for Grant-in-Aid Code for Indian Schools in the Civil and Military Station of Bangalore, if there is no objection, in the light of the letter of the Accountant General, Madras, referred to therein, I have the honour to state that the purpose of the Accountant General, Madras, could be served by the mere substitution of the word "shall" for the word "may" in rule 46(ii) line 2 of the Grant-in-Aid Code for Indian Schools in this Station. But I am not in favour of this amendment for the following reason:-

Rule 54(ii) of the Grant-in-Aid Code of the Madras Educational Department makes it obligatory on the owner (or the Management) of the property to execute a mortgage of the property or a deed of acceptance in the respect of the grant. But the grant referred to is that sanctioned for constructing buildings as provided in Rule 53(iii) of that Code. Rule 46(ii) of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station of Bangalore, on the other hand, has the words "any grant" and refers to the purposes mentioned in Rule 43, which include grants for repairs, extensions, alterations etc. which are not contemplated by Rule 54(ii) of the Madras Grant-in-Aid Code. As you

are aware, applications for grants for repairs to buildings, in respect of which a mortgage or deed of acceptance has already been executed, and for repairs to roads, for water or sewage connection, for construction of gates and other fixtures, are received and grants are sanctioned. It would be unnecessary to insist on a mortgage or a deed of acceptance in all such cases when such action has been taken in respect of the property concerned. It therefore appears to me desirable that the requirement regarding execution of a mortgage or a deed of acceptance should be ~~accepted~~ left to the discretion of the sanctioning authority which will, of course, enforce it in all cases of grants for purchase, erection or enlargement of school houses or buildings, or students' hostels including residential quarters or for acquiring lands for school or hostel purposes.

If, however, it is desired that the enforcement of the requirement in cases of purchase, erection and enlargement of buildings should be made obligatory by a specific provision of the Code, I would propose the following amendment to Rule 46(ii) of the Grant-in-Aid Code for Indian Schools in the Civil & Military Station Bangalore, for the consideration of the Hon'ble the Resident:-

For,

"Before any grant is paid, the owner or the Management of the property may be required to execute a mortgage of the property or a deed of acceptance in respect of the grant. Until further orders the forms of the various deeds shall be as shown in appendices M.N.O.& P."

Substitute,

"Before any grant is paid, for any of the purposes mentioned in rule 43(i) and (iii), the owner or the Management shall be required to execute a mortgage of the property or a deed of acceptance in respect of the grant. Until further orders the forms of the various deeds shall be as shown in appendices M.N.O.& P."

I have the honour to be,

Proposed amendment of rule 46(ii) of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station of Bangalore.

Sir,

With reference to your letter No. T.13.Bang.958, dated the 6th August 1932, I am directed to state that it is proposed to amend rule 46(ii) of the Grant-in-Aid Code for Indian Schools as follows:-

For rule 46(ii), substitute the following:-

" Before any grant is paid, the owner or the management of the property shall be required to execute a mortgage of the property or a deed of acceptance in respect of the grant. Until further orders the forms of the various deeds shall be as shown in Appendices M.N.O. and P. The Resident may, however, grant exemption from the execution of the deed in cases where he considers such deeds unnecessary."

SUBJECT.
Grants to Srimathi Kamalabai Girls' High School, Bangalore.

Sir,

I have the honour to forward herewith a copy of a letter dated 20.8.1932, from the Correspondent, Srimathi Kamalabai Girls' High School, Bangalore, together with a copy of the statements furnished by him. The VI Form will have to be opened in the school next year, and this will involve the employment of extra staff. But I find that the scales of pay proposed to be given to the teachers by the Board of Trustees are in many cases higher than those reported to the Government of India in the Hon'ble the Resident's letter No.6307/87-30, dated 31.8.1931, and those sanctioned in the Hon'ble the Resident's No.2431/271-31, dated 7.4.1932. The Correspondent's explanation is that it is difficult to secure the services of suitably qualified lady teachers on lower scales of pay. I give below a comparative statement showing the differences observed between the scales proposed and those admissible according to original sanction and the authorised scales.

Designation.	Pay per mensem proposed by the Management during 1933-34.	Pay according to authorised scales and original sanction.
1.Headmistress.	130/-	120/-
2.Assistant.	82/-	50/-
3. -do-	79/-	76/-

1	2	3
4.Assistant.	79/-	76/-
5. -do-	60/-	50/-
6. -do-	60/-	45/-
7. -do-	48/-	30/-
8.Telugu Pandit.	50/-	40/-
9.Kanarese Pandit.	35/-	35/-
10.Tamil Pandit.	45/-	35/-
11.Urdu Pandit.	45/-	35/-
12.Music Mistress.	47½	40/-
13.Drill & Sewing Mistress.	45/-	No scale was fixed.

The difference amounts to roughly Rs. 1,200/-. In view of the special difficulties represented by the Correspondent, I recommend that the scales proposed to be introduced during 1933-34 may be approved, as a special case.

2. I have accordingly proposed the inclusion in the Mysore Assigned Tract budget estimates for 1933-34 of a sum of Rs. 2500/- over and above the usual allotment to meet this extra expenditure.

I have the honour to be,

Sir,

Your most obedient servant,

Ag.Inspector of Schools,

Coorg & Bangalore.

Letter No.67/32, dated 20.8.1932, from the Correspondent Srimathi Kamalabai Girls' High School, Bangalore, to the Inspector of Schools, Coorg & Bangalore.

I have the honour to submit herewith the Budget Estimates of the anticipated income and expenditure of the school for the year 1933-34 as approved by the Board of Trustees of the school. The existing strength of the Forms I to V is furnished in the statement enclosed.

In this connection I have to bring to your kind notice that the management strictly adhere to the policy of staffing the school exclusively with lady teachers, and it has been found difficult to secure the services of trained ladies for all the posts . Trained Lady teachers are taken as far as possible; and where it is ✗ inevitable untrained lady teachers are employed on a purely temporary basis on fixed salaries. It is the idea of the management to train some of the efficient ladies among the untrained staff with the aid of the Department, and I trust it will be possible to find some funds for the purpose of training a couple of teachers next year, giving Government stipends.

In regard to non-recurring expenditure included in the enclosed estimates, I have to bring to your kind notice that these items are apart from and in addition to the items for which applications have been submitted this year,as follows:-

1.Furniture(vide detailed application)	Rs.1420/-
2.Science Apparatus.	1200/-
3.Books and Maps.	250/-
4.Physical Culture Requisites.	200/-
5.Construction of wall for enclosing the school compound - remaining portion- Additional requirement for 1932-33.	3000/- 4000/-
6.Servant's latrines to be put up.	100/-
7.Improvising partitions in the upstair hall for providing more class rooms to meet the necessity of accommodation.	632/-

I request that such of the items as may remain unpaid out of the budget for the current year may be kindly carried over to the Budget Estimates of 1933-34, as all

are urgent requirements of the Institution.

Letter No.79/32-33, dated 24th September, 1932, from the Correspondent,Srimathi Kamalabai Girls' High School, Bangalore, to the Inspector of Schools, Coorg & Bangalore.

With reference to your letter No.2560/1-30, dated 21st September 1932, regarding the scales of pay of the staff for the Budget Estimates of 1933-34, I have the honour to state as follows:-

It has been the policy of the management to staff the school exclusively with lady teachers , In view of the paucity for qualified lady teachers, much difficulty was experienced in securing suitable staff on pay within the prescribed scales, in spite of giving wide publicity to the posts, and some relaxation from the fixed scales of pay was inevitable in the interest of efficiency. I herewith submit a schedule of the personnel of the staff as it would stand on 1st June 1933 with remarks in cases of deviation from the admissible scales of pay.

I request that in the circumstances explained the estimate submitted may be kindly accepted.

SCHEDULE.

1. Miss V.T.Lakshmi,M.A.,L.T., Head Mistress - in grade Rs.100-10-250.
The Board of Trustees were pleased to grant her an advance increment of Rs.10/- in recognition of her meritorious services, with effect from 1st June 1932.

2. Miss T.P.Subhadramma, B.A.,Mathematics - Assistant.
She is the only candidate who applied in response to the advertisement for a Math: Lady Graduate, and she holds 1st Class Degree in Mathematics. She refused to accept anything less than Rs.80/- at the time of entertainment to service in the school and it is proposed by the Board of Trustees to promote her to Rs.82/- from next June.

3. Miss V.R.Dorasamy, B.A.,L.T.,(Hist: & Geography) Assistant.
In consideration of her qualifications and the fact that she rendered service during the 1st year on only an honorarium of Rs.50/- per mensem the Board were pleased to confirm her on Rs.76/- per mensem in grade 70-3-100 with effect from 1st June 1932. Rs.79/- included in the Budget represents the next progressive pay in the grade.

4. Assistant (B.A.,L.T.,) to be newly appointed in grade Rs.70-3-100
The minimum pay of the grade (and not Rs.79/- as stated in your letter) has been proposed with a view to entertain an additional Assistant Lady Teacher with the said qualifications.

5. Miss B.Muniamma,B.A.(Science) Assistant.
Though she is an untrained teacher she is qualified in a special subject, and is extra proficient in Kannada.Besides doing Science work she is assisting in Kannada work also as at present the school has not got a trained lady Pandit for Kannada Classes of higher standards.

6. Miss R.Srihari,Inter.Trained,Assistant in grade Rs.45-3-90.
She entered the service of the school in June 1931 on pay Rs.54/- in the grade. Rs.60/- is the pay she is entitled to from 1st June 1933 in the usual course and it has been included in the estimates as such.

7. Miss Louis, Intermediate - Assistant.
As the teacher is untrained she is kept on as a temporary assistant on fixed pay without giving her any permanent graded appointment and therefore only a temporary increment has been proposed. She is now getting a pay of Rs.45/- which is proposed to be raised to Rs.48/-

8. Miss Pushpaveni,B.A.,(Philosophy)Telegu Pandit.
This lady is also appointed temporarily as no lady Pandit applied in response to advertisement. As her vernacular is Telugu and as she is a graduate the minimum pay of Rs.50/- has been given to her and the same is included in the Budget. The earliest opportunity will be availed of to appoint a qualified lady Telugu Pandit.

9. Tamil Pandit)
10. Urudu Munshi) It has not been possible to procure the services of trained or even untrained ladies for these posts in spite of wide publicity. The pay of Rs.45/- for each of these posts is included in the Budget provisionally, and it is doubtful whether even these salaries will be lucritive to lady Pandits and Munshis.

11. Miss V.Janakam,Madras Music Diploma - Music Mistress.
She has passed in 1st Class in the Government Technical Examination in Indian Music,Madras,higher grade. She was started on a pay of Rs.45/- and she is proposed to be given an increment of Rs.2½, confirming her in grade Rs.35-2½-60.

Regd. No. 9251
File. No. 339/31

The Secretary to the Hon'ble the Resident
in Mysore, Bangalore.

Sir,

Recd 14-10
Intd 17-10

I have the honour to forward herewith the financial and other returns of the Srimathi Kamalabai Girls' High School, Bangalore, for the year 1931-32. The income shown in the Fee Returns did not appear to be correct in certain cases and considering the number of pupils in each class ~~of fee-income~~ and hence details of fee-income were called for. The information furnished by the Correspondent disclosed that promotions had been given to some pupils in the middle of the school year contrary to the rules. I enclose herein a copy of my letter No.2408/1-30, dated 3.9.1932, to the Correspondent and of his letter No.71/32/33 dated 10.9.1932 on the subject. It is clear that there has been a contravention of the rules governing promotions. But since the Correspondent refers to the special circumstances of a newly started school and the liability to the error in the proper classification of pupils who have had no school education before admission, I recommend that the irregularity may be over-looked as a special case. The Correspondent will, however, be informed that in future he should observe the rules strictly.

17.11.14 (P)

2. In proceedings No.1714/dated 7.3.1932, the Hon'ble the Resident sanctioned a grant of Rs. 2302/-to the school for the year 1931-32. I find that according to the Returns furnished the school is eligible for a grant of Rs. 2298/8/- as follows:-

Admissible expenditure. 2935-9-3

Item one of Financial Statement ---	2395-9-3
Item two of the Financial Statement	526-0-0
Item six of the Financial Statement	1132-5-2
Total Rs.	4593-14-5
Deduct:-	
Income from (1) fees ---	1323-15-3
Income from (2) endowments	971-7-2
	2295-6-5

Therefore net expenditure = 2298-8-0.

3. Since the Correspondent has been already paid a sum of Rs.2302/- he is liable to a refund of a sum of Rs. 3-8-0 to Government.

S.N.13 above P

4. In para 3 of his letter No.532/1-30, dated 22.2.1932, Mr. Edmonds stated that before paying this year's grants the accounts for 1931-32 will be ordered to be audited by a competent auditor and any adjustments found necessary would be made in the grant payable this year. Since the audited financial statement for the year 1931-32 has been received from the Correspondent, I recommend that an advance of teaching grant, amounting to Rs. 2500/-, may be paid to the Correspondent. The anticipated net expenditure for the current year as reported to you by Mr. Edmonds in para 2 of his letter No.3136/21-24, dated 3.9.1931 was Rs. 5150/- and the advance recommended is a reasonable proportion of that amount.

S.N. 13 429/31 above P

5. The sum of Rs. 3-8-0 paid in excess of the net expenditure incurred during 1931-32 may be ordered to be deducted from the advance of Rs. 2500/- now recommended.

6. The expenditure will be debited to the allotment under the head "Account II-Education-B.Grants-in-Aid to Non-Government Secondary Schools-Grants-in-Aid to Secondary Schools in the current year's Mysore Assigned Tract budget.

I have the honour to be,
Sir,
Your most obedient servant,

M.S. Nobi Yaddin

Ag.Inspector of Schools,

Letter No.2&08/1-30, dated 3.9.1932, from the Inspector of Schools, Coorg & Bangalore, Bangalore, to the Correspondent Srimathi Kamalabai Girls' High School, Bangalore.

I have the honour to invite a reference to the details of fee-income attached to the Fee-Returns for the year 1931-32 and to request you to be good enough to let me know the circumstances in which several pupils have been promoted to the next higher classes after a period of 4 months. It need hardly be pointed out that this is against Rule 30 of the Madras Educational Rules.

2. In the case of pupils who left the school after paying one or two instalments of fees and in the case of those who left without paying any fees, it is presumed that the Headmistress has not granted them Transfer Certificates.

3. The favour of an early reply is requested.

Letter No.71, 32-33, dated 10th September 1932, from the Correspondent, Srimathi Kamalabai Girls' High School, Bangalore, to the Inspector of Schools, Coorg & Bangalore.

With reference to your letter No.240-1-30, dated 3rd September 1932, I have the honour to state as follows:-

Promotions:- The institution started anew from June 1931 and among those who sought admission there were good many private pupils who were previously prosecuting studies at home. Considering the large number of such pupils only a hurried test for admission was possible at the time and nothing better could be done in the peculiar circumstances and the opening of the school with a staff still in formation. The pupils were graded by by new teachers who had not yet acquainted themselves with the local conditions, and the gradation was not so satisfactory. It was perceived later that bright pupils of higher standard who were admitted to lower classes were getting lazy for want of adequate opportunities to enable others and were at the same time damping the spirits of other less advanced children in their class owing to the disparity of progress between them.

These were explained to the then Inspector of Schools by the Headmistress in person and with his kind oral permission, granted as a special case, the promotions referred to were ~~effected~~ effected.

Transfer Certificates were not granted to any of the pupils who left the school without paying any fees or after paying only one or two instalments.

Instructions for the preparation of the Fee Returns.

1. The fee return forms are intended to show the amount of fees that could be collected if fees were levied strictly at the standard rates given in the Fee Regulations embodied in Chapter VIII of the Madras Educational Rules. The figures to be entered in the several columns of the returns should, therefore, be calculated according to the *standard rates* and not according to the rates fixed by Managers.

2. In girls' schools, the fee income should be calculated at half the standard rates. No fee return need be submitted in the case of schools added under Chapter VI of the Grant-in-Aid Code, but the actual fee receipts of such schools should be entered in the Financial Statement.

3. The classes of pupils or students to be shown in columns (6) and (7) of the fee returns are, Muhammadans, Oriyas, girls, and the backward classes and castes enumerated in rule 15 of the Grant-in-Aid Code, who are allowed to pay fees at *half the standard rates* under Chapter VIII of the Madras Educational Rules. Pupils or students to whom Managers may have granted concessions in the matter of fee rates should not be included.

4. All other pupils or students whether full free or partially free, should, for purposes of the returns, be treated as paying full fees, and such pupils or students should be shown in columns (4) and (5) at the amount of fees due from them at *full standard rates* in columns (8) and (9), no account being taken of free scholars or of those to whom special concession of paying partial fees has been given by Managers.

5. In columns (13) and (14) the figures should be entered against the class or form next below that into which the pupils concerned have been admitted—vide rule 99, Chapter VIII of the Madras Educational Rules.

6. When a student in the third or fourth year University course does not attend the full course but attends one or more divisions only, he should be returned against the division or each of the divisions he is attending.

7. With the fee return a separate statement may be submitted showing the amount of fees, if any, considered to be irrecoverable on account of the death of any pupil or student in the middle of the term or of the withdrawal of any pupil or student whose intention to discontinue his studies altogether has been explicitly signified. The number of such pupils or students, the class or form in which they were reading, the amount of irrecoverable fees at standard rates and the reasons why the fees cannot be recovered should in each case be specified in the statement.

8. The total amount of fees for an official year, as calculated from the fee returns of the school or college for the long and short terms of that year should be given in the financial statement of the school for the year.

9. The fee returns as well as the financial statements of First-grade Colleges should be submitted direct to the Director, and those of all other institutions to the Inspector or the Inspectress as the case may be. The fee returns should be submitted soon after the close of each term and the financial statement soon after the close of each official year.

Instructions for the preparation of the Fee Returns.

1. The fee return forms are intended to show the amount of fees that would be collected if fees were levied strictly at the standard rates given in the Fee Regulations embodied in Chapter VIII of the Madras Educational Rules. The figures to be entered in the several columns of the returns should, therefore, be calculated according to the *standard rates* and *not* according to the rates fixed by Managers.

2. In girls' schools, the fee income should be calculated at half the standard rates. No fee return need be submitted in the case of schools added under Chapter VI of the Grant-in-Aid Code, but the actual fee receipts of such schools should be entered in the Financial Statement.

3. The classes of pupils or students to be shown in columns (6) and (7) of the fee returns are Muhammadans, Oriyas, girls, and the backward classes and castes enumerated in rule 15 of the Grant-in-Aid Code, who are allowed to pay fees at *half the standard rates* under Chapter VIII of the Madras Educational Rules. Pupils or students to whom Managers may have granted concessions in the matter of fee rates should not be included.

4. All other pupils or students whether full free or partially free should, for purposes of the returns, be treated as paying full fees, and such pupils or students should be shown in columns (4) and (5) at the amount of fees due from them at *full standard rates* in columns (6) and (7), no account being taken of free scholars or of those to whom special concession of paying partial fees has been given by Managers.

5. In columns (13) and (14) the figures should be entered against the classes form next below that into which the pupils concerned have been admitted—vide rule 20, Chapter VIII of the Madras Educational Rules.

6. When a student in the first or fourth year University course does not attend the full course but attends one or more divisions only, he should be returned against the division or each of the divisions he is attending.

7. With the fee return a separate statement may be submitted showing the amount of fees, if any, considered to be irrecoverable on account of the death of any pupil or student in the middle of the term or of the withdrawal of any pupil or student whose intention to discontinue his studies altogether has been explicitly signified. The number of such pupils or students, the class or form in which they were reading, the amount of irrecoverable fees at standard rates and the reasons why the fees cannot be recovered should in each case be specified in the statement.

8. The total amount of fees for an official year, as calculated from the fee returns of the school or college for the long and short terms of that year should be given in the financial statement of the school for the year.

9. The fee returns as well as the financial statements of First Grade Colleges should be submitted direct to the Director, and those of all other institutions to the Inspector or the Inspectress as the case may be. The fee returns should be submitted soon after the close of each term and the financial statement soon after the close of each official year.

Advance teaching grant to Srimathi Kamalabai Girls' High School.

Sir,

With reference to your letter No. 2761/1-30, dated the 13th October 1932, I am directed to invite attention to rule 39(i) of the Grant-in-Aid Code for Indian Schools in the C and M Station of Bangalore, under which the first instalment of teaching grant should be equal to half the grant paid during the previous year. This first instalment can be sanctioned by you under the power delegated to you in rule 64(6) of the Code. — Flag X

2. I am to say that your proposal to pay a first instalment of Rs 2,500, which is nearly half of the estimated grant payable during the current year and which exceeds that ordinarily payable under rule 39(i), involves a departure from the provisions of the Code and cannot therefore be accepted. — Flag X

in Mysore, Bangalore.

Sir,

S.N.44 P

I have the honour to invite a reference to Proceedings No.1714/dated 7.3.1932 of the Hon'ble the Resident in Mysore, sanctioning the payment of the teaching grant of Rs. 2302/- to the Srimathi Kamalabai Girls' High School, Bangalore for the year 1931-32.

S.N.35 ✓ (Q)

2. In this office No.2761/1-30, dated 13.10.1932 Mr. Mohiyuddin forwarded to you the financial and other statements of the school relating to the year 1931-32. I am now enclosing herein a copy of the statement received from the Correspondent of the school showing the actual receipts and expenditure for the period from 1.4.1932 to 31.12.1932 and the anticipated expenditure from 1.1.1933 to 31.3.1933. It is seen from the statements that the Correspondent anticipates a net expenditure of Rs. 5168/- during the current year. I recommend that the Hon'ble the Resident may be pleased to sanction an amount of Rs. 5168/- during the current year as Grant-in-Aid.

Sir,

Subject:- Grant towards the purchase of furniture for the Srimathi Kamalabai Girls' High School, Bangalore.

I have the honour to enclose herein an application for a full furniture grant amounting to Rs.355/-, received from the Correspondent of the above School. It has been the practice to sanction full grants to this school 'as a special case' as the whole of the income of the school has to be devoted to the purpose of meeting current expenses. Permanent recognition was granted to this school by the Hon'ble the Resident, (vide your letter No. 3748, dated 18.5.1933). Now that an additional form (VI Form) has been opened in the school from the commencement of the current school year, a fresh supply of furniture as noted in the application is necessary. I recommend the application and request that the Hon'ble the Resident, may be pleased to sanction the grant applied for under rule 50 of the Grant-in-Aid Code for Indian Schools in the Civil and Military Station, Bangalore. The amount will be met from the allotment under the head Acct. II-Education-B-Grant in Aid to the Non-Government Secondary Schools - building and furniture grants to secondary Schools

However, before taking action either under section 169 or under section 173 of the Bangalore Municipal Law, it may perhaps be advisable, in order to make certain, the position to obtain the Government Pleader's opinion un-officially regarding the correctness of the view contained in the last sentence of the P.M.C. If so, the case may perhaps be sent to the Government Pleader U/O. Necessary action may be taken if the Government Pleader confirms the P.M.C's view.

Sir,

I have the honour to enclose herein an application for a full grant for the purchase of articles for the Domestic Science Class of the Srimathi Kamalabai Girls' High School, Bangalore. The total cost of the articles proposed to be purchased amounts to Rs.424- 3- 0. The articles are required for fitting up a Domestic Science Laboratory in the School. The girls of this school take Domestic Science as their Optional Subject in the S.S.L.C. and their choice could not be bettered. The subject cannot be properly taught without practical work and it is for such work that the articles asked for are required.

S.N.48

2. In your No.5213, dated the 17th July 1933 sanction was accorded for a grant to this school of Rs.355/- for the purchase of certain articles of furniture. Subsequently, the Correspondent has intimated to me that he wished to modify the list of articles of furniture to be purchased. I have informed him that articles the purchase of which was sanctioned in your letter referred to above, and which he still desires, may be purchased. The purchase of articles not in that list requires fresh sanction. The whole of the grant of Rs.355/- has not therefore been utilised, and the articles now desired by the Correspondent have been included in the application now submitted.
